4. Important Information Disclaimer

The information provided herein is to the best of TISS's knowledge and belief accurate as of the date that it was provided. TISS bases such knowledge and belief on information provided by third parties, and TISS makes no representation or warranty as to the accuracy of such third party information. TISS has taken and will continue to take reasonable steps to provide representative and accurate information to its customers, but may not have conducted destructive testing or chemical analysis on incoming materials and chemicals.

Certain TISS suppliers consider "material content" to be confidential information and thereby proprietary, whereby such information may not be available for release to customers.

Neither TISS nor any of its affiliates including subsidiaries shall be liable for loss of use, revenue, profit, or for any special, incidental, or consequential damages arising out of, connected with, or resulting from, the information provided in this Certificate, or otherwise; and in no event shall TISS's or any of its affiliates including subsidiaries' direct liability arising out of, connected with, or resulting from such information exceed the purchase price of the semiconductor component(s) referenced in this Certificate that TISS or any of its affiliates sold to the customer during the three (3) months immediately prior to the date of this Certificate. This Certificate is intended only for the use of the company to which it is addressed and no other person or entity is entitled to rely on the statement herein.

5. Important Legal Note.

The information contained herein is intended to assist those using Toshiba Electrical and Electronic Equipments (EEEs) in complying with EU REACH Regulation. Certain of the information contained herein is simplified guidance based on complex and changing legislation, and does not constitute legal advice. EU REACH Regulation should always be read and understood (as they constitute the law), in contrast with the information contained herein, which is intended to be informative but has no legal authority. You should refer to EU REACH Regulation for a full statement of the legal requirements and in the case of any doubt take independent advice, including your own legal advice. EU REACH Regulation may be revised from time to time, so users should take care to keep themselves informed.
