Announcement of PCN(Process Change Notice)
of Toshiba Microwave Semiconductor Products

Dear Madams and Sirs,

We thank you very much for your continuous patronage to our Microwave Semiconductor products. Taking this opportunity, we are glad to inform you that we are going to change the process of the production. We therefore wish to advise you for your understanding and acceptance of this change.

Sincerely yours

— NOTE —

1. Applicable product:

TIM5964-60SL-422

TMD1013-1-431

2. Description of change:

Change of product part number marking, addition of suffix numbers

Detail of the change will be shown in the latest datasheet of each product.

3. Reason of change:

Better product identification

4. Scheduled implementation date and notes:

The change will be implemented with product after “5F1A” date code, June 2015 production.

There still will be product with old marking in the distribution (Toshiba, Toshiba overseas office and the partner distributors), therefore product with two different types of marking will be distributed for a while.

5. Contact:

If you have further question, please feel free to contact our local Toshiba office on this matter.
