"Handling of the Personal Data"

 The personal data shall be used to respond to the principal's request for disclosure, etc.
 Documents to confirm the identity of the principal may be requested in some cases in order to respond to a request for disclosure, etc. Depending on the identity confirmation documents that are submitted, it may be necessary to obtain specific sensitive personal information such as the individual's domicile.

person

- The Company shall not provide the personal data to a third party without the consent of the principal, except as required by law. In addition, the Company has no plans to outsource the handling of the personal data.
- For further details about our handling of personal data, please visit our official website.
 If the individual's identity cannot be confirmed through the submitted documents, we may
- be unable to fulfill requests for disclosure, etc.
